## PRECAUTIONARY BOIL WATER NOTICE

June 2, 2022

TO: All City of Apalachicola Water Customers

The drinking water system for the City is currently undergoing maintenance so that we can provide an improved quality of water to our customers. Recent work included refurbishment of one of our drinking water wells (Well #7). In accordance with the Department of Environmental Protection's (DEP) rules, to begin using this well again, bacteriological samples must be collected over multiple days and then reviewed by DEP. Prior to this process being completed, the City found it necessary to place the well back into service so that we can provide an adequate supply of water to our customers. As required by rule, this means the City must issue this PRECAUTIONARY BOIL WATER NOTICE.

THEREFORE, AS A PRECAUTION, WE ADVISE THAT ALL WATER USED FOR DRINKING, COOKING, MAKING ICE, BRUSHING TEETH, OR WASHING DISHES BE BOILED. A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE BACTERIOLOGICAL SURVEY SHOWS THE WATER IS SAFE TO DRINK.

IF YOU HAVE QUESTIONS, YOU MAY CONTACT CITY HALL AT 850-653-9319.

Sincerely,

The City of Apalachicola  
Rhett Butler, Water Supervisor
