PROJECT NAME: REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES

PROJECT NO.: RFQ 2022-02

Please note the following clarification regarding the above referenced project:

As stated in the Request for Qualifications for Engineering Services, the selected Engineer shall perform, as needed, services for the City's CDBG-DR funded projects, as well as other federally or state funded projects.

Please note that the City may utilize professional services procured through this solicitation for projects funded through the Florida Department of Environmental Protection (Florida DEP), including, but not limited to, anticipated wastewater treatment plant repairs and/or upgrades.

The types of federal and state funding streams and/or example projects included in the RFQ is not intended to be all-inclusive. The City may, at its discretion, utilize engineering services procured through this solicitation for any federally- and/or state-funded project that the City has already secured or may pursue in the future.

Please also note that this addendum and any others that may be issued must be acknowledged on the Proposal Form included in the RFQ.
