CERTIFICATION

By Signing below, I certify that the information contained in this application is true and correct to the best of my knowledge at the time of application. I acknowledge that I understand and have complied with all of the submittal requirements and procedures and have read and understand the following:

1. I/We hereby attest to the fact that the above supplied property address(es), parcel number(s), and legal description(s) is(are) the true and proper identification of the area of this petition.
2. I/We authorize staff from the City of Apacheville and the Permitting and Community and Economic Development Office to enter onto the property in question during regular city business hours in order to take photos which will be placed in the permanent file.
3. I/We understand that the COA review time period will not commence until the application is deemed complete by staff and may take up to 10 days to process. I further understand that an incomplete application submittal may cause my application to be deferred to the next posted deadline date.
4. I/We understand that, for Board review cases, an agenda and staff report (if applicable) will be available on the City's website approximately one week before the scheduled Planning and Zoning Board Meeting.
5. I/We understand that the approval of this application by the Planning and Zoning Board or staff in no way constitutes approval of a Building Permit for construction from the City of Apacheville Community and Economic Development Office.
6. I/We understand that all changes to the approved scope of work stated in a COA have to be approved by the PZB before work commences on those changes. There will be no charge for the revision to a COA. Making changes that have not been approved can result in a Stop Work Order being placed on the entire project and additional fees/penalties.
7. I/We understand that any decision of the PZB may be appealed to the City Commission. Petitions to appeal shall be presented within thirty (30) days after the decision of the PZB; otherwise the decision of the PZB will be final.
8. I/We understand that a Certificate of Appropriateness is only valid for one year from issuance. They are renewable for six months without cause, and for an additional six months, upon showing of good cause by the applicant. The applicant must submit all requests for extensions in writing and provide appropriate support documentation, if needed.
9. I/We understand that the COA is hereby made to obtain a permit to do work and installation as indicated. I certify that all work will be performed to meet standards of all laws regulating construction in this jurisdiction.
10. I/We understand that separate permits are required for Electrical, Plumbing, Mechanical, and Roofing Work.
11. I/We understand that there will be no issuance of a COA without the property owner obtaining Homeowner's Association approval (if required) prior to the PZB Meeting and/or before the beginning of any work and in no way authorizes work that is in violation of any association rule or regulation.

CERTIFICATION

By Signing below, I certify that the information contained in this application is true and correct to the best of my knowledge at the time of application. I acknowledge that I understand and have complied with all of the submittal requirements and procedures and have read and understand the following:

1. I/We hereby attest to the fact that the above supplied property address(es), parcel number(s), and legal description(s) is(are) the true and proper identification of the area of this petition.
2. I/We authorize staff from the City of Apalachicola and the Permitting and Community and Economic Development Office to enter onto the property in question during regular city business hours in order to take photos which will be placed in the permanent file.
3. I/We understand that the COA review time period will not commence until the application is deemed complete by staff and may take up to 10 days to process. I further understand that an incomplete application submittal may cause my application to be deferred to the next posted deadline date.
4. I/We understand that, for Board review cases, an agenda and staff report (if applicable) will be available on the City's website approximately one week before the scheduled Planning and Zoning Board Meeting.
5. I/We understand that the approval of this application by the Planning and Zoning Board or staff in no way constitutes approval of a Building Permit for construction from the City of Apalachicola Community and Economic Development Office.
6. I/We understand that all changes to the approved scope of work stated in a COA have to be approved by the PZB before work commences on those changes. There will be no charge for the revision to a COA. Making changes that have not been approved can result in a Stop Work Order being placed on the entire project and additional fees/penalties.
7. I/We understand that any decision of the PZB may be appealed to the City Commission. Petitions to appeal shall be presented within thirty (30) days after the decision of the PZB; otherwise the decision of the PZB will be final.
8. I/We understand that a Certificate of Appropriateness is only valid for one year from issuance. They are renewable for six months without cause, and for an additional six months, upon showing of good cause by the applicant. The applicant must submit all requests for extensions in writing and provide appropriate support documentation, if needed.
9. I/We understand that the COA is hereby made to obtain a permit to do work and installation as indicated. I certify that all work will be performed to meet standards of all laws regulating construction in this jurisdiction.
10. I/We understand that separate permits are required for Electrical, Plumbing, Mechanical, and Roofing Work.
11. I/We understand that there will be no issuance of a COA without the property owner obtaining Homeowner's Association approval (if required) prior to the PZB Meeting and/or before the beginning of any work and in no way authorizes work that is in violation of any association rule or regulation.

CERTIFICATION

By Signing below, I certify that the information contained in this application is true and correct to the best of my knowledge at the time of application. I acknowledge that I understand and have complied with all of the submittal requirements and procedures and have read and understand the following:

1. I/We hereby attest to the fact that the above supplied property address(es), parcel number(s), and legal description(s) is(are) the true and proper identification of the area of this petition.
2. I/We authorize staff from the City of Apalachicola and the Permitting and Community and Economic Development Office to enter onto the property in question during regular city business hours in order to take photos which will be placed in the permanent file.
3. I/We understand that the COA review time period will not commence until the application is deemed complete by staff and may take up to 10 days to process. I further understand that an incomplete application submittal may cause my application to be deferred to the next posted deadline date.
4. I/We understand that, for Board review cases, an agenda and staff report (if applicable) will be available on the City's website approximately one week before the scheduled Planning and Zoning Board Meeting.
5. I/We understand that the approval of this application by the Planning and Zoning Board or staff in no way constitutes approval of a Building Permit for construction from the City of Apalachicola Community and Economic Development Office.
6. I/We understand that all changes to the approved scope of work stated in a COA have to be approved by the PZB before work commences on those changes. There will be no charge for the revision to a COA. Making changes that have not been approved can result in a Stop Work Order being placed on the entire project and additional fees/penalties.
7. I/We understand that any decision of the PZB may be appealed to the City Commission. Petitions to appeal shall be presented within thirty (30) days after the decision of the PZB; otherwise the decision of the PZB will be final.
8. I/We understand that a Certificate of Appropriateness is only valid for one year from issuance. They are renewable for six months without cause, and for an additional six months, upon showing of good cause by the applicant. The applicant must submit all requests for extensions in writing and provide appropriate support documentation, if needed.
9. I/We understand that the COA is hereby made to obtain a permit to do work and installation as indicated. I certify that all work will be performed to meet standards of all laws regulating construction in this jurisdiction.
10. I/We understand that separate permits are required for Electrical, Plumbing, Mechanical, and Roofing Work.
11. I/We understand that there will be no issuance of a COA without the property owner obtaining Homeowner's Association approval (if required) prior to the PZB Meeting and/or before the beginning of any work and in no way authorizes work that is in violation of any association rule or regulation.

Describe The Proposed Project and Materials. Describe the proposed project in terms of size, affected architectural elements, materials, and relationship to the existing structure(s).

This is for the construction of a new 24 room SPA hotel to be related to the existing "Gibson Inn". All properties on Block 1 will be related to the original "Gibson" and are part of that identity. The design is inspired by historical concepts but maintains a contemporary aspect. Height limits will be respected.
