(4) **Modification of Agreement.** Modifications to this Agreement shall be valid only when executed in writing by the Parties. Any modification request by Subrecipient constitutes a request to negotiate the terms of this Agreement. DEO may accept or reject any proposed modification based on DEO's sole determination and absolute discretion, that any such acceptance or rejection is in the State's best interest.

Provided further, that the only option available for advanced funds is to maintain such advanced funds in a separate bank account. There shall be no commingling of funds provided under this Agreement with any other funds, projects or programs. - (b) Within sixty (60) calendar days of the close of Subrecipient's fiscal year, on an annual basis, Subrecipient shall electronically submit a completed Audit Compliance Certification to [audit@deo.myflorida.com](mailto:audit@deo.myflorida.com), and DEO's grant manager; a blank version of which is attached hereto as Attachment J. Subrecipient's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and Subrecipient.
- (c) In addition to the submission requirements listed in Attachment I, Audit Requirements, Subrecipient shall send an electronic copy of its audit report to DEO's grant manager for this Agreement by June 30 following the end of each fiscal year in which it had an open CDBG-DR subgrant.

- (a) Subrecipient shall cooperate and comply with DEO, HUD, and auditors with any inspections and will immediately provide access to records and financial statements as deemed necessary by DEO, HUD, and their respective auditors at least in accordance with requirements of 2 CFR part 200 and 24 CFR 570.489.
- (b) Subrecipient shall cooperate and comply with monitoring of its activities as deemed necessary by DEO to ensure that the subaward is used for authorized purposes in compliance with federal statutes, regulations, and this Agreement.
- (c) Without limiting the actions DEO, HUD, or their respective investigators may take, monitoring procedures will include at a minimum: (1) reviewing financial and performance reports required by the Grantee, (2) following-up and ensuring that Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to Subrecipient from the Grantee as detected through audits, on-site reviews and other means, and (3) issuing a management decision for audit findings pertaining to this Federal award provided to Subrecipient from the Grantee as required by 2 CFR §200.521.
- (d) Corrective Actions: DEO may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits DEO may require Subrecipient to take timely and appropriate action on all deficiencies pertaining to the Federal award provided to Subrecipient from the pass-through entity as detected through audits, on-site reviews and other means. In response to audit deficiencies or other findings of noncompliance with this agreement, DEO may in its sole discretion and without advance notice, impose additional conditions on the use of the CDBG-DR funds to ensure future compliance or provide training and technical assistance as needed to correct noncompliance. DEO may also take other action as stated in Paragraph (12) Remedies or otherwise allowable by law.

**(9) Duplication of Benefits.**

Subrecipient shall not carry out any of the activities under this Agreement in a manner that results in a prohibited duplication of benefits as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5155 *et seq.*) and described in Appropriations Acts. Subrecipient must comply with HUD's requirements for duplication of benefits, as described in the Federal Register and HUD guidance (including HUD training materials). Subrecipient shall carry out the activities under this Agreement in compliance with DEO's procedures to prevent duplication of benefits. Subrecipient shall sign a Subrogation Agreement (See Attachment M).

**(10) Liability.**

- (a) If Subrecipient is a state agency or subdivision, as defined in Section 768.28(2), F.S., pursuant to Section 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.
- (b) Subrecipient assumes sole responsibility for the training and oversight of the parties it deals with or employs to carry out the terms of this Agreement to the extent set forth in Section 768.28, Florida Statutes. Subrecipient shall hold DEO harmless against all claims of whatever nature arises from the work and services performed by third parties under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of DEO, but is an independent contractor.
- (c) Subrecipient agrees to be fully responsible for its negligent or tortious acts or omissions, which result in claims or suits against DEO. Subrecipient agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, F.S. Nothing herein shall be construed as

consent by DEO or the State of Florida to be sued by third parties in any matter arising out of any agreement, contract, or subcontract.

- (d) Nothing herein is intended to serve as a waiver of sovereign immunity by DEO or Subrecipient.

**(11) Events of Default.**

If any of the following events occur ("Events of Default"), DEO may, in its sole and absolute discretion, elect to terminate any obligation to make any further payment of funds, exercise any of the remedies set forth in Paragraph (12) Remedies or pursue any remedy at law or in equity, without limitation:

- (a) Any warranty or representation is made by Subrecipient, in this Agreement or any previous agreement with DEO, is or becomes false or misleading in any respect, or if Subrecipient fails to keep or perform any of the obligations, terms, or covenants in this Agreement or any previous agreement with DEO or HUD, and/or has not cured them in timely fashion and/or is unable or unwilling to meet its obligations under this Agreement and/or as required by statute, rule, or regulation;
- (b) Any material adverse change occurs in the financial condition of Subrecipient at any time during the term of this Agreement and Subrecipient fails to cure this adverse change within thirty (30) calendar days from the date written notice is sent by DEO;
- (c) If Subrecipient fails to submit any required report or submits any required report with incorrect, incomplete or insufficient information or fails to submit additional information as requested by DEO;
- (d) If Subrecipient fails to perform or timely complete any of its obligations under this Agreement, including participating in DEO's Implementation Workshop. The Parties agree that in the event DEO elects to make payments or partial payments after any Events of Default, it does so without waiving the right to exercise any remedies allowable herein or at law and without becoming liable to make any further payment.
- (e) Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Subrecipient believes is excusable under this paragraph, Subrecipient shall notify DEO in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Subrecipient could reasonably foresee that a delay could occur as a result or (2) within five (5) calendar days after the date Subrecipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE SUBRECIPIENT'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Subrecipient of its decision in writing. No claim for damages, other than an extension of time, shall be asserted against DEO. Subrecipient shall not be entitled to an increase in the Agreement price or payment of any kind from DEO for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Subrecipient shall perform at no increased cost, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance or deliveries from Subrecipient, provided that Subrecipient grants preferential treatment to DEO with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Subrecipient for the related costs and expenses) to replace all or part of the products or services that are

DEO Agreement No.: M0033

the subject of the delay, which purchases may be deducted from the Agreement quantity or (3) terminate the Agreement in whole or in part.

**(12) Remedies.**

If an Event of Default occurs, DEO may in its sole discretion and without limiting any other right or remedy available, provide thirty (30) calendar days written notice to Subrecipient and if Subrecipient fails to cure within those thirty (30) calendar days DEO may choose to exercise one or more of the following remedies, either concurrently or consecutively:

- (a) Terminate this Agreement upon written notice by DEO sent in conformity with Paragraph (16) Notice and Contact;
- (b) Begin any appropriate legal or equitable action to enforce performance of this Agreement;
- (c) Withhold or suspend payment of all or any part of a request for payment;
- (d) Demand Subrecipient return to DEO any funds used for ineligible activities or unallowable costs under this Agreement or any applicable law, rule or regulation governing the use of the funds; and
- (e) Exercise any corrective or remedial actions, including but not limited to:
  - 1. Requesting additional information from Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
  - 2. Issuing a written warning to advise that more serious measures may be taken if the situation is not corrected; and/or
  - 3. Advising Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question.
- (f) Exercise any other rights or remedies which may be otherwise available under law.

Pursuit of any of the above remedies does not preclude DEO from pursuing any other remedies in this Agreement or provided at law or in equity. Failure to exercise any right or remedy in this Agreement or failure by DEO to require strict performance does not affect, extend or waive any other right or remedy available or affect the later exercise of the same right or remedy by DEO for any other default by Subrecipient.

**(13) Dispute Resolution.**

DEO shall decide disputes concerning the performance of the Agreement, and document dispute decisions in writing and serve a copy of same on Subrecipient. All decisions are final and conclusive unless Subrecipient files a petition for administrative hearing with DEO within twenty-one (21) days from the date of receipt of the decision. Exhaustion of administrative remedies prescribed in Chapter 120, F.S., is an absolute condition precedent to Subrecipient's ability to pursue any other form of dispute resolution; provided however, that the Parties may mutually agree to employ the alternative dispute resolution procedures outlined in Chapter 120, F.S.

**(14) Citizen Complaints.**

The goal of DEO is to provide an opportunity to resolve citizen complaints in a timely manner, usually within fifteen (15) business days of the receipt of the complaint as expected by HUD, if practicable, and to provide the right to participate in the process and appeal a decision when there is reason for an applicant to believe its application was not handled according to program policies. All applications, guidelines and websites will include details on the right to file a complaint or appeal and the process for filing a complaint or beginning an appeal.

The Subrecipient will handle citizen complaints by:

- (a) Conducting investigations, as necessary;
- (b) Finding a resolution; or
- (c) Conducting follow-up actions.

The aforementioned reasons for termination are listed in the immediately preceding sentence for illustration purposes but are not limiting DEO's sole and absolute discretion with respect to DEO's right to terminate this Agreement. In the event of suspension or termination, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs.
- (b) DEO may unilaterally terminate this Agreement, in whole or in part, for convenience by providing Subrecipient fourteen (14) days written notice from the date notice is sent by DEO, setting forth the

DEO Agreement No.: M0033

However, if in the case of partial termination, DEO determines that the remaining portion of the award will not accomplish the purpose for which the award was made, DEO may terminate the portion of the award which will not accomplish the purpose for which the award was made.   - 2. If not used to meet a national objective, Subrecipient shall pay to DEO an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for the acquisition or improvement of the property for five years after expiration or termination of this Agreement.
- (g) The rights and remedies under this clause are in addition to any other rights or remedies provided by law or under this Agreement.

Subrecipient shall, upon request from DEO's custodian of public records, provide DEO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, F.S., or as otherwise provided by law. Subrecipient shall allow public access to all documents, papers, letters or other materials made or received by Subrecipient in conjunction with this Agreement, unless the records are exempt from Article I, Section 24(a) of the Florida Constitution and Section 119.07(1), F.S. - (d) If, for purposes of this Agreement, Subrecipient is a "contractor" as defined in Section 119.0701(1)(a), F.S. ("Subrecipient-contractor"), Subrecipient-contractor shall transfer to DEO, at no cost to DEO, all public records upon completion including termination, of this Agreement or keep and maintain public records required by DEO to perform the service. If Subrecipient-contractor transfers all public records to the public agency upon completion of the Agreement, Subrecipient-contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Subrecipient shall cooperate with DEO, in taking all steps as DEO deems advisable, to prevent misuse, regain possession or otherwise protect the State's rights and the data subject's privacy.

Failure to identify the legal basis for each exemption from the requirements of Chapter 119, F.S., prior to submittal of the record to DEO serves as Subrecipient's waiver of a claim of exemption. Subrecipient shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if Subrecipient-contractor does not transfer the records to DEO upon completion, including termination, of this Agreement.

DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.
- (k) DEO does not endorse any Subrecipient, commodity, or service. Subject to Chapter 119, F.S., Subrecipient shall not publicly disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to, mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking Subrecipient's name and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any other entity that is not a Party to this Agreement,

except potential or actual employees, agents, representatives or subcontractors with the professional skills necessary to perform the work services required by the Agreement.

- (l) Subrecipient shall comply with the requirements set forth in Section 119.0701, F.S., when entering into any public agency contract for services after the Effective Date of this Agreement. Subrecipient shall amend each of Subrecipient's public agency contracts for services already in effect as of the Effective Date of this Agreement and which contract will or may be funded in whole or in part with any public funds. DEO may terminate this Agreement if Subrecipient does not comply with this provision.

(b) E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at:

- (a) Benefit low- and moderate- income persons;
- (b) Aid in prevention or elimination of slums or blight; and

(c) Meet a need having particular urgency (referred to as urgent need).

**(30) Independent Contractor.**

- (a) In Subrecipient's performance of its duties and responsibilities under this Agreement, it is mutually understood and agreed that Subrecipient is at all times acting and performing as an independent contractor. Nothing in this Agreement is intended to or shall be deemed to constitute an employer/employee relationship, partnership or joint venture between the Parties. Subrecipient shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. Nothing in this Agreement shall be construed to create any agency or employment relationship between DEO, Subrecipient, its employees, subcontractors or agents. Neither Party shall have any right, power or authority to assume, create or incur any expense, liability or obligation, express or implied, on behalf of the other.
- (b) Subrecipient, its officers, agents, employees, subcontractors or assignees, in performance of this Agreement shall act in the capacity of an independent contractor and not as an officer, employee, agent, joint venturer, or partner of the State of Florida.
- (c) Subrecipient shall have sole right to control the manner, method and means by which the services required by this Agreement are performed. DEO shall not be responsible to hire, supervise or pay Subrecipient's employees. Neither Subrecipient, nor its officers, agents, employees, subcontractors or assignees are entitled to State retirement or State leave benefits, or to any other compensation of State employment as a result of performing the duties and obligations of this Agreement.
- (d) Subrecipient agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, employee, servant, joint venturer or partner of the State of Florida.
- (e) Unless justified by Subrecipient, and agreed to by DEO in the Scope of Work, DEO will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to Subrecipient or its subcontractor or assignee.

Subrecipient shall ensure that its employees, subcontractors and other agents, receive benefits and necessary insurance (health, workers' compensation, reemployment assistance benefits) from an employer other than the State of Florida.

Subrecipient shall also comply with the Property Standards at 2 CFR 200.310, 2 CFR 200.312, 2 CFR 200.314-316. Subrecipient shall also comply with 2 CFR 200.313 Equipment, except that when the equipment is sold, the proceeds shall be program income and equipment not needed by Subrecipient for activities under this agreement shall be transferred to the Grantee for its CDBG-DR program or shall be retained after compensating the Grantee.

Subrecipient shall also comply with the Property Standards in 2 CFR 200.310-316, except to the extent they are inconsistent with 24 CFR 570.200(j) and 24 CFR 570.489(j), in which case Subrecipient shall comply with 24 CFR 570.200(j) and 24 CFR 570.489(j), except to the extent that proceeds from the sale of equipment are program income and subject to the program income requirements under this agreement, pursuant to 24 CFR 570.489(e)(1)(ii).

### **VI. Federal Funding Accountability and Transparency Act (FFATA)**

Subrecipient shall comply with the requirements of 2 CFR part 25 Universal Identifier and System for Award Management (SAM). Subrecipient must have an active registration in SAM, <https://www.sam.gov/SAM/> in accordance with 2 CFR part 25, appendix A, and must have a Data Universal Numbering System (DUNS) number <https://fedgov.dnb.com/webform/>. Subrecipient must also comply with provisions of the Federal Funding Accountability and Transparency Act, which includes requirements on executive compensation, 2 CFR part 170 Reporting Subaward and Executive Compensation Information.

## **VII. Relocation and Real Property Acquisition**

Subrecipient shall comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), 42 USC 4601 – 4655, 49 CFR part 24, 24 CFR part 42, and 24 CFR 570.606.

In addition to other URA requirements, these regulations (49 CFR § 24.403(d)) implement Section 414 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 USC § 5181, which provides that "Notwithstanding any other provision of law, no person otherwise eligible for any kind of replacement housing payment under the URA shall be denied such eligibility as a result of his being unable, because of a major disaster as determined by the President, to meet the occupancy requirements set by such Act."

## **VIII. Nondiscrimination**

### **1. 24 CFR part 6**

Subrecipient will comply with 24 CFR part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion or sex, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. Subrecipient will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-DR funds. Thus, Subrecipient shall comply with regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs.

### **2. Architectural Barriers Act and the Americans with Disabilities Act**

Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed or altered with funds allocated or reallocated under this part after December 11, 1995 and meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

### **3. State and Local Nondiscrimination Provisions**

Subrecipient must comply with the Florida Small and Minority Business Assistance Act (§288.703-288.706, F.S.); Title VI of the Civil Rights Act of 1964 (24 CFR part 1).

#### **1. General Compliance:**

Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended. No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. Subrecipient shall not intimidate, threaten, coerce or discriminate against any person for the purpose

of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because an individual has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding or hearing under 24 CFR part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 CFR part 1, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

**2. Assurances and Real Property Covenants:**

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, Subrecipient assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, Subrecipient's assurance herein shall obligate Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application. This assurance gives the Grantee and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to Subrecipient under this agreement, the instrument effecting any disposition by Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

**4. Affirmative Action**

**1. Approved Plan**

Subrecipient agrees that it shall carry out pursuant to the Grantee's specifications an Affirmative Action Program in compliance with the President's Executive Order 11246 of September 24, 1965, as amended, and implementing regulations at 41 CFR 60. The Grantee shall provide Affirmative Action guidelines to Subrecipient to assist in the formulation of such program. Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the release of funds under this agreement.

**2. Women- and Minority-Owned Businesses (W/MBE)**

Subrecipient shall take the affirmative steps listed in 24 CFR 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when Subrecipient procures property or services under this agreement.

**3. Notifications**

Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

**4. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement**

Subrecipient shall, in all solicitations or advertisements for employees placed by or on behalf of Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

**IX. Labor and Employment**

1. Labor Standards

Subrecipient shall comply with the in labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 3141, *et seq.*) and 29 CFR part 1, 3, 5, 6 and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. Subrecipient shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to the Grantee for review upon request.

X. Section 3 of the Housing and Urban Development Act of 1968

1. Low-Income Person Definition

A low-income person, as this term is defined in Section 3 (b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher and or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or A very low-income person, as this term is defined in Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437 a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

2. Compliance

Subrecipient shall comply with the provisions of Section 3 of the Housing Urban Development Act of 1968, as amended, 12 USC 1701u, and implementing its implementing regulations at 24 CFR part 75 (formerly 24 CFR part 135). Compliance with Section 3 shall be achieved, to the greatest extent feasible, consistent with existing Federal, state and local laws and regulations. Accordingly, a subrecipient of Section 3-covered assistance is required to develop strategies for meeting both the regulatory requirements at 24 CFR part 75 and any other applicable statutes or regulations. Subrecipient and any of its contractors and subcontractors shall include the following "Section 3 clause" in every "Section 3-covered contract".

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 75, and agrees to take appropriate actions, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 75.
  - B. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 75.
  - F. Noncompliance with HUD's regulations in 24 CFR part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
  - G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. 3. **Section 3 Benchmarks and Reporting**
- A. Benchmarks. Contracts over \$200,000 trigger Section 3 Benchmark requirements. When triggered, best efforts must be made to extend Section 3 opportunities to verified Section 3 workers and business concerns to meet these *minimum* numeric goals:

    - 2. Five percent (5%) of the total hours on a Section 3 project must be worked by Targeted Section 3 workers.
  - B. Reporting. If the subrecipient's reporting indicates that the subrecipient has not met the Section 3 benchmarks described in 24 CFR § 75.23, pursuant to 24 CFR § 75.25(b), the subrecipient must report in a form prescribed by HUD on the qualitative nature of its activities and those its contractors and subcontractors pursued.

## Attachment F – Civil Rights Compliance

### Fair Housing

As a condition for the receipt of CDBG-DR funds, each Subrecipient must certify that it will "affirmatively further fair housing" in its community. A Subrecipient shall demonstrate its commitment to affirmatively further fair housing by implementing the actions listed below.

Each Subrecipient shall do the following:

- 1) Have in place a fair housing resolution or ordinance that covers all Federally protected classes (race, color, familial status, handicap, national origin, religion and sex);
- 2) Designate an employee as the Fair Housing Coordinator who is available during regular business hours to receive fair housing calls;
- 3) Publish the Fair Housing Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask fair housing questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website;
- 4) Establish a system to record the following for each fair housing call:
  - a) The nature of the call,
  - b) The actions taken in response to the call,
  - c) The results of the actions taken and
  - d) If the caller was referred to another agency, the results obtained by the referral agency;
- 5) Conduct at least one fair housing activity each quarter. Identical activities (see examples below) shall not be conducted in consecutive quarters; and
- 6) Display a fair housing poster in the CDBG-DR Office. (This does not count as a fair housing activity.)

Subrecipient shall ensure that the fair housing contact person has received training so that he/she can handle fair housing phone inquiries or refer the inquiries to the appropriate people/agencies. Records maintained by the contact will help the community do the following:

- Define where discriminatory practices are occurring,
- Help the community measure the effectiveness of its outreach efforts, and
- Provide the community with a means to gain information that can be used to design and implement strategies that will eliminate fair housing impediments.

Examples of fair housing activities include the following:

- Making fair housing presentations at schools, civic clubs and neighborhood association meetings;
- Conducting a fair housing poster contest or an essay contest;
- Manning a booth and distributing fair housing materials at libraries, health fairs, community events, yard sales and church festivals; and
- Conducting fair housing workshops for city/county employees, realtors, bank and mortgage company employees, insurance agents and apartment complex owners.

Printing a fair housing notice on a utility bill is no longer accepted as a fair housing activity; however, mailing a DEO-approved fair housing brochure as an insert with utility bills will be accepted as an activity. Placing posters in public buildings does not meet the requirement for a fair housing activity.

Subrecipient shall document its fair housing activities by keeping photographs, newspaper articles, sign-in sheets and copies of handouts in their CDBG-DR project file and include information about the activities in the comment section of each quarterly report.

#### **Equal Employment Opportunity**

As a condition for the receipt of CDBG-DR funds, each Subrecipient must certify that it and the contractors, subcontractors, subrecipients and consultants that it hires with CDBG-DR funds will abide by the Equal Employment Opportunity (EEO) Laws of the United States. A Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each Subrecipient shall do the following:

- 1) Have in place an equal employment opportunity resolution or ordinance that protects its applicants and employees and the applicants and employees of its contractors, subcontractors, subrecipients and consultants from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment, on the basis of race, color, religion, sex, national origin, disability, age or genetics;
- 2) Designate an employee as the EEO Coordinator who is available during regular business hours to receive EEO calls;
- 3) Publish the EEO Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask EEO questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
- 4) Establish a system to record the following for each EEO call:
  - a) The nature of the call,
  - b) The actions taken in response to the call and
  - c) The results of the actions taken;
- 5) Each Subrecipient shall maintain a list of certified minority-owned business enterprises (MBE) and women-owned business enterprises (WBE) that operate in its region. Subrecipient shall use this list to solicit companies to bid on CDBG-DR-funded construction activities and shall provide a copy of the list to the prime contractor(s) to use when it hires subcontractors and consultants. The Florida Department of Management Services maintains a list of certified minority- and women-owned businesses that can be used to develop a local MBE/WBE list at the following website: <https://osd.dms.myflorida.com/directories>.
- 6) Incorporate the Equal Employment Opportunity clause set forth in 41 CFR Part 60-1.4(b) into any contracts or subcontracts that meets the definition of "federally assisted construction contract" in 41 CFR 60-1.3.

#### **Section 504 and the Americans with Disabilities Act (ADA)**

As a condition for the receipt of CDBG-DR funds, Subrecipient must certify that it provides access to all federally funded activities to all individuals, regardless of handicap. Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Subrecipient shall do the following:

- 1) Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who:
  - a) Has a physical or mental impairment which substantially limits one or more major life activities,
  - b) Has a record of such an impairment or
  - c) Is regarded as having such an impairment;
- 2) Designate an employee as the Section 504/ADA Coordinator who is available during regular business hours to receive Section 504/ADA calls;

- 3) Publish the Section 504/ADA Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask Section 504/ADA questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
- 4) Establish a system to record the following for each Section 504/ADA call:
  - a) The nature of the call,
  - b) The actions taken in response to the call and
  - c) The results of the actions taken.

Section 504 prohibitions against discrimination (see 45 CFR part 84) apply to service availability, accessibility, delivery, employment and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A Subrecipient of Federal financial assistance may not, on the basis of disability:

- Deny qualified individuals the opportunity to participate in or benefit from Federally funded programs, services or other benefits,
- Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
- Deny employment opportunities, including hiring, promotion, training and fringe benefits, for which they are otherwise entitled or qualified.

The ADA regulations (Title II, 28 CFR part 35, and Title III, 28 CFR part 36) prohibit discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of state and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation and commercial facilities. Public accommodations are private entities who own, lease, lease to or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

### **Section 3 - Economic Opportunities for Low- and Very Low-Income Persons**

Each Subrecipient shall encourage its contractors to hire qualified low- and moderate-income residents for any job openings that exist on CDBG-DR-funded projects in the community. Subrecipient and its contractors shall keep records to document the number of low- and moderate-income people who are hired to work on CDBG-DR-funded projects. The number of low- and moderate-income residents who are hired to work on the project shall be reported in the comment section of the quarterly report.

The following Section 3 clause is required to be included in any contracts and subcontracts funded by this Agreement:

#### **Section 3 Clause**

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are Subrecipients of HUD assistance for housing.
- B. The Parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 75.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 75.
- F. Noncompliance with HUD's regulations in 24 CFR part 75 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

- 2. Title VII of the Civil Rights Act of 1964 – prohibits employment discrimination on the basis of race, color, religion, sex or national origin;

### **Competition**

All procurement transactions must follow the provisions of 2 CFR § 200.318-200.327 and be conducted in a manner providing full and open competition. Subrecipient shall be alert to conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids or requests for proposals shall be excluded from competing for such procurements. Awards must be made to the responsible and responsive bidder or offeror whose proposal is most advantageous to the program, considering the price, quality and other factors. Solicitations shall clearly set forth all requirements that the bidder or offeror must fulfill in order for the bid or offer to be evaluated by Subrecipient. Any and all bids or offers may be rejected if there is a sound, documented reason.

### **Codes of Conduct**

Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of Subrecipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of the standards by officers, employees or agents of the Subrecipient. (See 2 CFR § 200.318(c)(1))

### **Business Hours**

Subrecipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site at all reasonable times for business. ### **Licensing and Permitting**

All contractors or employees hired by Subrecipient shall have all current licenses and permits required for all of the particular work for which they are hired by Subrecipient.

## **Attachment I – Audit Requirements**

The administration of resources awarded by DEO to Subrecipient may be subject to audits and/or monitoring by DEO as described in this section.

### **MONITORING**

In addition to reviews of audits conducted in accordance with 2 CFR 200 Subpart F - Audit Requirements, and section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this Agreement, Subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of Subrecipient is appropriate, Subrecipient agrees to comply with any additional instructions provided by DEO staff to Subrecipient regarding such audit. Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

### **AUDITS**

**PART I: FEDERALLY FUNDED.** This part is applicable if Subrecipient is a state or local government or nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A Subrecipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, Subrecipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §200.502-503. An audit of the Subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508-512.
3. A Subrecipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If Subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than federal entities).

**PART II: STATE FUNDED.** This part is applicable if Subrecipient is a non-state entity as defined by Section 215.97(2), F.S.

1. In the event that Subrecipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Subrecipient (for fiscal years ending June 30, 2017, and thereafter), Subrecipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, Subrecipient shall ensure that the audit complies

with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from Subrecipient's resources obtained from other than state entities).

### PART III: OTHER AUDIT REQUIREMENTS

*(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), F.S., State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, F.S. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)*

#### Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 42424240 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to

compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 CFR § 200.323 - Procurement of recovered materials.

(K) See 2 CFR § 200.216 - Prohibition on certain telecommunications and video surveillance services or equipment.

(L) See 2 CFR § 200.322 - Domestic Preferences for procurements.

### State of Florida Department of Economic Opportunity

### Federally Funded Community Development Block Grant Disaster Recovery (CDBG-DR) Subrogation Agreement

This Subrogation and Assignment Agreement ("Agreement") is made and entered by and between the City of Apalachicola, Florida (hereinafter referred to as "Subrecipient") and the State of Florida, Department of Economic Opportunity (hereinafter referred to as "DEO").

In consideration of Subrecipient's receipt of funds or the commitment by DEO to evaluate Subrecipient's application for the receipt of funds (collectively, the "Grant Proceeds") under the DEO Community Development Block Grant-Disaster Recovery Program (the "CDBG-DR Program") administered by DEO, Subrecipient hereby assigns to DEO all of Subrecipient's future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered by the Federal Emergency Management Agency ("FEMA") or the Small Business Administration ("SBA") (singularly, a "Disaster Program" and collectively, the "Disaster Programs") that was the basis of the calculation of Grant Proceeds paid or to be paid to Subrecipient under the CDBG-DR Program and that are determined in the sole discretion of DEO to be a duplication of benefits ("DOB") as provided in this Agreement.

The proceeds or payments referred to in the preceding paragraph, whether they are from insurance, FEMA or the SBA or any other source, and whether or not such amounts are a DOB, shall be referred to herein as "Proceeds," and any Proceeds that are a DOB shall be referred to herein as "DOB Proceeds." Upon receiving any Proceeds, Subrecipient agrees to immediately notify DEO who will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Proceeds are determined to be a DOB, the portion that is a DOB shall be paid to DEO, to be retained and/or disbursed as provided in this Agreement. The amount of DOB determined to be paid to DEO shall not exceed the amount received from the CDBG-DR Program.

Subrecipient agrees to assist and cooperate with DEO to pursue any of the claims Subrecipient has against the insurers for reimbursement of DOB Proceeds under any such policies. Subrecipient's assistance and cooperation shall include but shall not be limited to allowing suit to be brought in Subrecipient's name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing record and other evidence, testifying at trial and any other form of assistance and cooperation reasonably requested by DEO. Subrecipient further agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that Subrecipient would be entitled to under any applicable Disaster Program.

If requested by DEO, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to DEO, to the extent of the Grant Proceeds paid to Subrecipient under the CDBG-DR Program, the Policies, any amounts received under the Disaster Programs that are DOB Proceeds and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by DEO to consummate and make effective the purposes of this Agreement.

Subrecipient explicitly allows DEO to request of any company with which Subrecipient held insurance policies, or FEMA or the SBA or any other entity from which Subrecipient has applied for or is receiving Proceeds, any non-public or confidential information determined to be reasonably necessary by DEO to monitor/enforce its interest in the rights assigned to it under this Agreement and give Subrecipient's consent to such company to release said information to DEO.

If Subrecipient (or any lender to which DOB Proceeds are payable to such lender, to the extent permitted by superior loan documents) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to DEO, if Subrecipient received Grant Proceeds under the CDBG-DR Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.

In the event that Subrecipient receives or is scheduled to receive any subsequent Proceeds, Subrecipient shall pay such subsequent Proceeds directly to DEO, and DEO will determine the amount, if any, of such subsequent Proceeds that are DOB Proceeds ("Subsequent DOB Proceeds"). Subsequent Proceeds in excess of Subsequent DOB Proceeds shall be returned to Subrecipient. Subsequent DOB Proceeds shall be disbursed as follows:

1. If Subrecipient has received full payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be retained by DEO.
2. If Subrecipient has received no payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be used by DEO to reduce payments of the Grant Proceeds to Subrecipient, and all Subsequent DOB Proceeds shall be returned to Subrecipient.
3. If Subrecipient has received a portion of the Grant Proceeds, any Subsequent DOB Proceeds shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Proceeds shall first be used to reduce the remaining payments of the Grant Proceeds, and Subsequent DOB Proceeds in such amount shall be returned to Subrecipient; and (B) any remaining Subsequent DOB Proceeds shall be retained by DEO.
4. If DEO makes the determination that Subrecipient does not qualify to participate in the CDBG-DR Program or Subrecipient determines not to participate in the CDBG-DR Program, the Subsequent DOB Proceeds shall be returned to Subrecipient, and this Agreement shall terminate.

Once DEO has recovered an amount equal to the Grant Proceeds paid to Subrecipient, DEO will reassign to Subrecipient any rights assigned to DEO pursuant to this Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Proceeds received by Subrecipient shall be true and correct as of the date of the signing of this Agreement.

**Warning:** Any person who intentionally or knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. 287, 1001 and 31 U.S.C. 3729.

~ Remainder of this page is intentionally left blank ~

The person executing this Agreement on behalf of Subrecipient hereby represents that he\she has received, read, and understands this notice of penalties for making a false claim or statement regarding Proceeds received by Subrecipient.

In any proceeding to enforce this Agreement, DEO shall be entitled to recover all costs of enforcement, including actual attorney's fees.

Historic properties of religious and cultural significance include: archeological sites, burial grounds, sacred landscapes or features, ceremonial areas, traditional cultural places, traditional cultural landscapes, plant and animal communities, and buildings and structures with significant tribal association. The types of activities that may affect historic properties of religious and cultural significance include: ground disturbance (digging), new construction in undeveloped natural areas, introduction of incongruent visual, audible, or atmospheric changes, work on a building with significant tribal association, and transfer, lease or sale of properties of the types listed above.

**If a project includes any of the types of activities below, invite tribes to consult:**

- ☒ **significant ground disturbance (digging)**  
Examples: new sewer lines, utility lines (above and below ground), foundations, footings, grading, access roads *Note: Construction of new sidewalks and lighting improvements will occur on previously disturbed rights of way.*

- ☐ **incongruent audible changes**  
Examples: increase in noise levels above an acceptable standard in areas known for their quiet, contemplative experience
- ☐ **incongruent atmospheric changes**  
Examples: introduction of lights that create skyglow in an area with a dark night sky
- ☐ **work on a building with significant tribal association**

## M0033 City of Apalachicola – Hill Commercial Revitalization Project Review

FDEP - M0033  
Apalachicola Hill Re

**Air** - *The clearing of undeveloped and wooded area(s) may cause a large amount of vegetative debris generated. Land clearing debris in connection with construction for buildings, right-of-way and land development is allowed, provided the below requirements in subsection 62-256.700(3), F.A.C., and paragraphs 51-2.006(4)(b) and (d), F.A.C., are met:*

- *Burning is restricted to the site where the debris was generated.*
- *Burning is conducted between the hours of 8:00 AM CST to one hour before sunset.*
- *The location of the open burn must be set back at least 1000 feet from any occupied building other than that of the landowner, and 100 feet from any paved public roadway, wildlands, brush, or combustible structure.*
- *Fire must be attended with fire extinguishing equipment ready at all times.*
- *Moisture and composition of material is favorable to good burning which will minimize smoke.*
- *Prior to open burning of land clearing debris, the person responsible for the burn contacts the FFS regarding the planned burning activity.*

*Prohibitions to open burning may be found at Rule 62-256.300, F.A.C. Any other open burning of land clearing debris that cannot meet these requirements shall be conducted using an ACI in accordance with the terms of the exemption from air permitting pursuant to Rule 62-210.300(3)(a)26., F.A.C., if eligible. Otherwise, it shall be conducted in accordance with Rule 62-296.401, F.A.C., and any other terms and conditions of the ACI's DEP-issued air permit.*

- *Best management practices should be applied for control of unconfined particulate matter from land-clearing, site grading and excavations according to Rule 62-296.320(4)(c), F.A.C. Reasonable precautions include:*
  - *Application of water or chemicals to control emissions from such activities as grading roads, construction, and land clearing.*
  - *Removal of particulate matter from roads and other paved areas under the control of the owner or operator of the facility to prevent re-entrainment, and from buildings or work areas to prevent particulate from becoming airborne.*
  - *Landscaping or planting of vegetation.*
- *Rule 62-296.320(4)(b) F.A.C. states that emissions of air pollutants from any activity shall not have a density of which blocks out 20% or more of the background.*
- *Possible presence of asbestos piping or asbestos fiber in old concrete when demolishing/rehabilitating complexes - surveys should be conducted and required management practices should be applied. Department regulations concerning asbestos are applicable to the renovation (maintenance) or demolition of commercial, industrial, institutional, facility components or public structures, buildings, or installations. These regulations are listed in Chapter 62-257 Florida Administrative Code and Title 40, Code*

of Federal Regulations, Part 61, Subpart M (40 CFR 61, Subpart M, also known as the asbestos NESHAP).

- If relocatable crushers, concrete batch plants or asphalt plants are brought onsite as part of construction or demolition, they should be properly permitted and up to date on testing requirements.
- Please note that facilities claiming an exemption under Rule 62-210.300, F.A.C. must maintain records which demonstrate that all equipment/operation meets, and will continue to meet on an ongoing basis, all the conditions that are required in paragraphs of the rule. Stationary engines may also be required to meet federal rule requirements. Please access the following links for further information on federal regulations for stationary engines: <https://www.epa.gov/stationary-engines> and <https://www.epa.gov/stationary-engines/guidance-and-tools-implementing-stationary-engine-requirements>.
