The committee adopted without revision the summary of the August, 2021, meeting minutes.

Reforestation Fund

There is a discrepancy between what the proposed budgetary amount is estimated to be for the Reforestation Fund in the September 22, budget and Mr. Winterringer's detailed account. His account shows \$5,695 should be available for reforestation but the proposed budget estimate is only \$295 is available.

Mr. Winterringer will continue to communicate with Mr. Bebeau on this subject.

Mr. Richey and Mr. Winterringer will continue to try to work out a better permit trail to account for monies that should accrue to the Reforestation Fund.

The committee will explore hiring landscape designers to explore plans for planting trees and other measures to beautify public areas.
