

**CITY OF APALACHICOLA JOB OPPORTUNITY**  
**PUBLIC WORKS & UTILITIES DIRECTOR**

The City of Apalachicola seeks a dynamic and experienced professional to serve as the Public Works & Utilities Director. This unique role combines executive-level City management responsibilities with oversight of critical infrastructure and utility operations. Duties include but are not limited to: Assisting the City Manager as needed; provide leadership to city departments, fostering a culture of accountability, innovation, and customer service; prepare annual department budget estimates and monitor expenditures; manage water and sewer utility operations and the associated regulatory compliance; ability to build consensus, manage multiple projects, and deliver results in a fast-paced environment.

**Education & Experience Requirements:** Bachelor's degree in public administration, Civil Engineering, Environmental Science, Business, or related field (Master's preferred); 5-10 years of progressively responsible management experience in local government public works/utilities or equivalent; and Professional Engineer (PE) license, relevant water/sewer utility certification, and/or project management professional certification highly desired. A combination of experience and education can be substituted for the above qualifications.

Salary range is \$81,000 - \$92,000 (based on education & experience) and includes a full benefit package. Job application can be downloaded from the City's website at [www.cityofapalachicola.com](http://www.cityofapalachicola.com) or picked up during regular office hours at 1 Bay Avenue, Apalachicola, Florida. Applicants must submit a resume (with references) and completed job application to be considered. For further information contact Lee Mathes at [lmathes@cityofapalachicola.com](mailto:lmathes@cityofapalachicola.com) or 850-653-9319. Position is open until filled.

The City of Apalachicola is an equal opportunity, affirmative action and drug-free workplace employer.
